

## Celebrate EARTH DAY!

April 1, 2025

Dear Neighbor and Friend of our planet Earth,

WELCOME! To this Green Energy & Climate Change resource-The Green Bulletin Board.

On this 1<sup>st</sup> day of April, during the time of year EARTH DAY is celebrated the world over, we are proudly announcing the Inauguration of our GREEN OPEN OFFICE HOURS here, at the historic Fowler Clark Epstein Farm in Boston's Mattapan neighborhood.

It's a FREE public service being provided to assist you- residents, homeowners, seniors, working people, entrepreneurs and business persons and professionals alike- about receiving valuable information, applying for and potentially gaining access to thousands in Federal, Massachusetts and Local Green Energy funding and benefits...(MORE)

I am R. Lee Cook, founder/CEO of RLC Community Consulting; and for the past few years we have been working in Greater-Boston communities here and across the commonwealth speaking with minority residents on these issues, concerns and opportunities.

Learn more about Climate Change and its benefits to you and your family, friends and neighbors by scrolling thru The Green Bulletin Board website Home-Page or contacting us...(MORE) **SEE: Go Electric (Now)**

**by email: [RLCook@TheGreenBulletinBoard.com](mailto:RLCook@TheGreenBulletinBoard.com)** and setting up an appointment during our **weekly OPEN OFFICE HOURS on Wednesdays and Thursdays**, or via **[www.Calendly.com/rleec487](http://www.Calendly.com/rleec487)**

We hope to see you soon and help you receive funding and free professional assistance...(MORE) acquiring Solar Panels, Electric Vehicles, Chargers, Storage Batteries, Heat Pump Systems and other appliances and benefits.

And please remember to observe the Tuesday, April 22<sup>nd</sup> Earth Day Celebration!  
It's the only planet we've got, so...

Make Every Day EARTH DAY!
